THE INTERSECTION OF THEORY AND PRACTICE: PRESERVATION MATTERS

Sponsor & Exhibitor Opportunities

DESIGN THE FUTURE!

Inspire tomorrow's leaders, promote innovative solutions, and be recognized as a pillar in the industry.

Demonstrate your commitment to the future of Architectural Engineering (AE) by sponsoring the AEI FORUM 2020:

- Showcase your organization as an industry leader
- Support the development of NextGen AE leaders
- Network with emerging professionals, future leaders, and industry experts
- Engage with academics to learn and influence the AE research agenda

To sponsor or exhibit, please visit aei-forum.org/sponsors

AEI events are educational from both industry and academia perspectives, offering opportunity to see a lot of things that are going on in the industry that you can take back and use in your everyday career.

Steph Guy, P.E., LEED AP
Associate Principal
Alvine Engineering

It is always one of my favorites. There are tons of students and professionals here, so you are able to network with both.

Mary Taylor
AEI National Student President 2017
The Pennsylvania State University

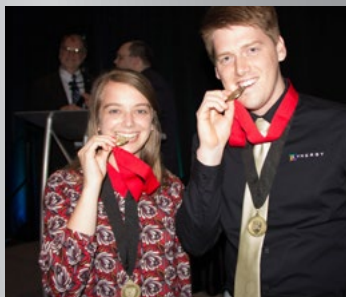

AEI programs are a great opportunity for people from industry, academia, and students to intermingle and talk about what is going on in the industry.

Leigh Harrison, P.E., LEED AP
Principal
HGA

Join industry-leading corporations at the AEI FORUM 2020 to learn about practices, priorities, strategies, and technologies surrounding historic preservation of buildings.
